District 5810 Strategic Plan

Both people and organizations need to establish a strategic framework for significant success. This framework consists of a vision for your future, a mission that defines what we are doing; the values that shape our actions; strategies that zero in on our key success approaches and goals & action plans to guide your daily, weekly and monthly actions. Our District 5810 is Blessed with many very hard working volunteer leaders who have invested enormous amounts of time and talent to create a Rotary District 5810 Strategic Plan. It is posted on the District 5810 website under "Download Files".

Strategic planning implementation is at the heart of how to make changes of any kind happen in an organization. Please study the District Strategic Plan that was created by this independent team of Rotary leaders. We started by asking and answering why our organization might want to embark on a strategic planning process and implementation. We want District 5810 Rotarians to understand the mission and goals. Individuals within groups that understand a common vision and goals are more productive and create better outcomes than those who do not. Doesn't this seem like a good reason to start strategic planning implementation? Maybe it is time for you to consider a strategic plan for your Rotary Club. This would be an exercise for your club to share a vision that could stretch you club's capabilities and image of itself. This topic could stimulate your next club meeting.

Resources to Help You Celebrate Rotary's Birthday

The Rotary Club of Chicago has big plans for celebrating Rotary's anniversary, 23 February, this year.

As the first club established by Rotary founder Paul Harris, the Chicago club will be marking its 105th anniversary at the same time Rotary marks 25 years of work to eradicate polio. The club, Rotary International, and districts 6440 and 6450 have joined forces to light up the Wrigley Building in downtown Chicago with the End Polio Now logo on 23 February to celebrate Rotary's polio eradication efforts.

Immediately after the lighting, the Chicago club will hold an International Buffet Dinner, with all proceeds going to The Rotary Foundation in support of polio eradication. The club will be honoring Ciro de Quadros, executive vice president of the Sabin Vaccine Institute, for his contribution to the eradication of polio in the Americas. Every club and district is encouraged to use the anniversary of the first Rotary club meeting, designated as World Understanding and Peace Day, to share the story of Rotary's local and global contributions.

Plans are in the works to project End Polio Now onto the sides of several other well-known landmarks on 23 February. Last year, the image illuminated a section of the House of Commons in London, the Colosseum in Rome, the Sydney Opera House in Australia, and a number of landmarks in Scotland.

In Africa, a Kick Polio Out of Africa awareness campaign will launch 23 February with the symbolic kicking of a soccer ball in Cape Town, South Africa. The soccer ball will travel through 22 polio-affected countries on the continent and then to the 2010 RI Convention in Montréal, Québec, Canada. The Reach Out to Africa Ad Hoc Executive Committee, the Public Image Resource Group, and national PolioPlus committee chairs will work with clubs and districts to host media events in their countries.

All 21 districts in Rotary International in Great Britain and Ireland will be taking part in a Thanks for Life Week to raise funds for End Polio Now. As part of this effort, clubs in District 1240 (England) have planned a Purple Pinkie Week with a variety of activities including serving pints of purple beer at a local brewery, collecting money for polio on street corners and in supermarkets, and selling tickets to a special soccer match. The local team will wear purple jerseys with the End Polio Now logo on them, and club members will be selling purple wristbands to raise funds. Purple Pinkie Week gets its name from the purple dye applied to a child's little finger during National Immunization Days.

RI provides many resources to help your club or district celebrate. Here are some suggestions:

Today's Thoughts in Honor of

The Day the Music Died – February 3

Buddy Holly, Richie Valens and the Big Bopper died in a plane crash in 1959.

"Take a music bath once or twice a week for a few seasons, and you will find that it is to the soul what the water bath is to the body."

- **Oliver Wendell Holmes Jr. (1809 - 1894)**

Boy Scout Day – February 8

We never fail when we try to do our duty, we always fail when we neglect to do it.

- **Sir Robert Baden-Powell (1857 – 1941)**

A scout master was teaching his boy scouts about survival in the desert. "What are the three most important things you should bring with you in case you get lost in the desert?" he asked.

Several hands went up, and many important things were suggested such as food, matches, etc. Then one little boy in the back eagerly raised his hand. "Yes, Davey, what are the three most important things you would bring with you?" asked the scout master.

Davey replied, "A compass, a canteen of water, and a deck of cards."

"Why is that, Davey?" asked the scout master.

"Well," answered Davey, "the compass is to find the right direction, and the water is to prevent dehydration."

"And what about the deck of cards?" asked the scout master impatiently.

Davey replied, "Well, sir, as soon as you start playing solitaire, someone is bound to come up behind you and say, 'Put that red nine on top of that black ten.'"
