Andy Harvey – President Harvey Howard Inc.

Andy Harvey was born in Dallas and raised in Richardson, TX. Played all sports at Richardson High School and went on to Oklahoma State University to play football. Was a member of the Cowboy football team in 1968 and 1969. He was injured in 1970 but remained active with the team as a graduate assistant. Mr. Harvey went on to complete his under graduate degree in journalism and political science. He entered the news and broadcasting business after college. In 1975, he went to the sales of newsprint to the publishing industry(newspapers) and eventually formed his own paper sales brokerage company in 1986. He grew this company into a regional firm with sales of over \$100MM by 1998. Today, Mr. Harvey is active in real state development, private equity and growth capital for businesses. Mr. Harvey has been married to his school sweetheart, Janet for 34 years. The Harvey's reside in Celina, TX.

Flag Work Day and Partner Incentive Day May 2nd

While Rotarians are prepping their assigned routes on our May 2nd work day, participating partners have been asked to canvass their assigned routes and sell flag leases to those homeowners that have yet to sign up with a goal to have maximum participation in each neighborhood that we serve. This will help the partners and their leaders become familiar with their assigned routes before flag season and they will be able to earn extra money for their organization by selling flag leases. Each individual will receive \$5.00 per sale. Each participating group will also receive a \$50 gift certificate to The Academy as an incentive.

At 1:00 all Partners and Rotarians will meet at Towne Lake for a BBQ of Hot Dogs and Hamburgers to celebrate the beginning of our new Flag Season. A Flag orientation will be given by Bryan Northington for all flag partners prior to handing out the Incentive Awards.

Flag assignments will be handed out at the shed between 8:30 and 9:00 AM and the work day and sales will conclude at noon.

Last Weeks Meeting

At last weeks meeting, McKinney Sunrise Rotary Member Brian Loughmiller spoke to our club about his bid to become McKinney's next Mayor. He spoke about his past accomplishments while serving our community in many capacities as well as being Mayor Pro Tem on the City Council, and also spoke about his vision for our city and how he expects to help our city reach that vision as our next Mayor.

We also had a winner in our Queen of Hearts game last week. Weldon Copeland and President Pamela Zeigler-Petty had the winning ticket and will split the \$590. A new game with a new deck of cards will begin this week.

Today's Thoughts in Honor of

Extraterrestrial Abductions Day – March 20

"A time will come when science will transform [our bodies] by means which we cannot conjecture... And then, the earth being small, mankind will migrate into space, and will cross the airless Saharas which separate planet from planet, and sun from sun. The earth will become a Holy Land which will be visited by pilgrims from all quarters of the universe."

- William Winwood Reade (1838 – 1875)

National Goof Off Day – March 22

I don't think necessity is the mother of invention - invention, in my opinion, arises directly from idleness, possibly also from laziness. To save oneself trouble.

- Agatha Christie (1890 – 1976)

The Sunday before Christmas, a pastor told his congregation that the church needed some extra money. He asked them to consider putting a little more than usual into the offering plate. He said that whoever gave the most would be able to pick out three hymns.

After the offering plates were passed, the pastor glanced down and noticed that someone had given a \$1000 bill. He was so excited that he immediately shared his joy with the people and said he'd like to personally thank the generous person.

A very quiet, elderly, saintly looking lady shyly raised her hand. The pastor asked her to come to the front. Slowly she made her way to the pastor. He told her how wonderful it was that she gave so much and in thanks asked her to pick out three hymns.

Her eyes brightened as she looked around and pointed to the three most handsome men in the building. "I'll take him and him and him."

Foundation honors two California couples for major gifts

Two couples from District 5340 (California, USA) were recently inducted into the [Arch C. Klumph Society](#), which honors people who give at least \$250,000 to The Rotary Foundation.

Past District Governor Steve Brown and his wife, Susan, and Larry and Linda Sundram were honored 25 February during a ceremony at RI World Headquarters in Evanston, Illinois, where their portraits now hang in the Arch C. Klumph Gallery.

Brown has traveled extensively to underdeveloped countries, promoting the Foundation and overseeing projects. The Foundation's positive impact in these areas shows why contributions are so vital, he says.

"Your dollar can make a bigger difference when it's spent in underdeveloped countries," explains Brown. "In many countries, there are no safety nets. People could really hit rock bottom if it weren't for the Foundation."

A successful lawyer, Brown became a charter member of the Rotary Club of La Jolla Golden Triangle in 1986. He has participated in a National Immunization Day (NID) in Eritrea and facilitated Matching Grant projects in Kenya, Mexico, and Russia.

Much of his current passion is directed toward Afghanistan, which he has visited several times to support humanitarian and educational projects. In October, Brown and a fellow club member, Fary Moini, met with Islamic leaders in Jalalabad to emphasize the importance of the polio eradication effort.

"There are needs all over the world," he says. "Being an Arch C. Klumph member means I'm an investor in the Foundation. I have a strong vested interest to see that the Foundation thrives and carries out its mission to help people worldwide."

The Sundrams, who are both Rotarians, are also committed to the Foundation's international reach. Larry has traveled to India for an NID and has been involved with several Matching Grants in that country. He is currently the District 5340 Group Study Exchange Subcommittee chair.

The couple has been married for 32 years, and both retired from the insurance industry in 2002. Larry joined the Rotary Club of Vista in 2003, and Linda is president of the Rotary Club of Camp Pendleton, which she joined in 2006.

Linda credits her husband with introducing her to Rotary.

"Rotary is the best organization I've seen at breaking down cultural barriers to create peace and understanding," she says. "It's a great feeling to donate to such a wonderful foundation, realizing that people will be helped long after we're gone."

The Sundrams have helped support the humanitarian work of U.S. military units in Afghanistan and Iraq by helping to collect and forward supplies. Each year, Larry and members of his club distribute Christmas gifts to disadvantaged children and their families in Ensenada, Mexico. The Sundrams also support the [Permanent Fund](#) and the [Annual Programs Fund](#).

"The Foundation is the most effective way to get the most money and resources into the hands of people who are in the most need," says Larry. "Giving to the Foundation gives us peace of mind that the money will be used to its optimum potential."
