Upcoming Flag Holiday

This weekend is our first flag holiday of the year. Thanks to everyone who has helped to get them year up and running. You all have been involved in mailouts, emails, flag cleaning, flag building, route prep, and installations, everyone in the club has been involved in some way. We currently have over 1000 flag lease subscriptions already and none of this would be possible without the involvement of every member of the club. A big thanks to Eric Holt and Bryan Northington for all of their hard work keeping everything organized, to Tim Kocsis for his continued help with the database, and to Sandi Froese for her tireless work as our partner advisor. We will need help distributing the flags to the scout troops this Thursday evening at 5:00 and again on Tuesday evening to load the flags back in the shed.

Proposed Member Approved for Publication

Steve Goodman, Investigator for the Collin County District Attorneys Office, has been approved for publication. His classification would be Law Enforcement - Investigator. If there are no objections by June 2, he will be inducted into our club on June 9.

Rotary Praises U.S. Leaders for Effort to End Polio

In recognition of their ongoing support of a polio-free world, four members of the U.S. Congress and one government official received Rotary's Polio Eradication Champion Award on 5 May in Washington, D.C.

The award, presented by RI President-elect Ray Klinginsmith and Past RI President James L. Lacy, chair of the Polio Eradication Advocacy Task Force for the United States, was established in 1995 to recognize governments and world leaders who have made outstanding contributions toward the goal of eradicating polio.

The 2010 recipients include Maria Otero, Under Secretary of State for Democracy and Global Affairs; Senators Mark Begich, of Alaska, and Ron Wyden, of Oregon; and Representatives Phil Roe, of Tennessee, and Henry Waxman, of California.

Lacy acknowledged the continued work of the U.S. government in securing critically needed funds for polio eradication.

"The leadership of these individuals has been crucial to ensuring that every child is protected," he said. "Together we can make sure no child anywhere will ever again suffer the crippling effects of polio."

Since the mid-1980s, the government has contributed \$1.7 billion to the cause. President Barack Obama also announced a global push for polio eradication in conjunction with the Organization of the Islamic Conference during a 2009 speech in Cairo. The location was chosen for its symbolism: Ancient Egyptian artwork features the earliest known depictions of people disabled by the disease.

In addition to the 2010 honorees, Lacy acknowledged the ongoing leadership of the more than 40 other members of Congress whom Rotary has previously recognized.

"The progress made toward polio eradication is seen through the collective achievement of the current and past congressional recipients of the Polio Eradication Champion Award," he said. "When Congress began its

support of this effort, nearly 60 countries had polio. Today there are only four countries. We must maintain this level of dedication to end polio forever."

Klinginsmith honored volunteers of the Stop Transmission of Polio program who have been killed during eradication efforts in hostile regions, calling them "heroes."

Other global leaders who have received the Polio Eradication Champion Award include President Laurent Gbagbo of Côte d'Ivoire, former President Mamadou Tandja of Niger, Chancellor Angela Merkel of Germany, Prime Minister Manmohan Singh of India, and United Nations Secretary-General Ban Ki-moon.

Today's Thoughts in Honor of

International Jazz Day – May 29

“The memory of things gone is important to a jazz musician. Things like old folks singing in the moonlight in the back yard on a hot night or something said long ago.”

Memorial Day – May 31

“The bravest are surely those who have the clearest vision of what is before them, glory and danger alike, and yet notwithstanding, go out to meet it.”
