Molly McCune – Children & Community Health Center

Children and Community Health Center of McKinney is a 501c3 non-profit free medical clinic serving the medically uninsured and underserved residents of McKinney and northern Collin County. Volunteer physicians, nurses, pharmacists, translators, and non-medical volunteers staff the clinic. CCHC has one part-time paid clinic manager. Patients receive basic healthcare, medications, lab work and some x-rays at no charge. Patients are welcomed and treated with dignity and compassion as we strive to build a stronger and healthier community of neighbors.

Since CCHC opened its doors on Aug. 2, 2004, there have been over 5,000 patient visits. CCHC is a community owned medical clinic, with office space donated by Medical Center of McKinney. CCHC receives support from Presbyterian Hospital of Allen, Centennial Hospital of Frisco and Medical Center of McKinney. CCHC has received grants from Collin County Healthcare Foundation for since 2004.

Patients are required to provide three documents before being treated by the clinic – a picture ID, a utility bill showing a current address, and a statement of income. CCHC sees patients whose income is between the federal poverty level and 200% above. The clinic sees no patients who have any sort of insurance, including Medicaid, or other medical assistance or who have medical insurance available to them.

CCHC is an affiliate of Volunteers in Medicine Institute, which is funded by McNeil-Tylenol. The original Volunteers in Medicine clinic is located at Hilton Head, South Carolina, and was founded by Dr. Jack McConnell. Until 2008, CCHC was the only 'Volunteers in Medicine' clinic in Texas. VIMI offers no monetary support to CCHC.

Proposed Member Approved for Publication

Robert H Rusoff has been approved for publication. His classification would be Procurement. If there are no objections by June 16, he will be inducted into our club on June 23.

Flag Day

Flag Day, is a day for all Americans to celebrate and show respect for our flag, its designers and makers. Our flag is representative of our independence and our unity as a nation.....one nation, under God, indivisible. Our flag has a proud and glorious history. It was at the lead of every battle fought by Americans. Many people have died protecting it. It even stands proudly on the surface of the moon. As Americans, we have every right to be proud of our culture, our nation, and our flag. So raise the flag on Flag Day and every day with pride!

Foundation Approves Future Vision's First District Grant

The Rotary Foundation has approved the first grant under the [Future Vision pilot](#), set to begin on 1 July.

District 3330 (Thailand) will be using the US\$39,500 district grant to fund a variety of local projects, including buying books, computers, and sports equipment for schools; providing clean water for students; and adding patient beds at a hospital.

One of the projects will create a computer room at a primary school in Samut Prakan Province, giving 755 students access to computers and the Internet. Eight Rotary clubs in the province; a club in District 3350 (Cambodia; Thailand), not in the pilot; and a club in Korea are cooperating on the \$15,900 effort.

Another project will add beds to the province's main public hospital so it can serve an increasing number of patients.

"It is very exciting that we are the first grant approved," says Wichai Maneewacharakiet, the District 3330 Rotary Foundation Committee chair. "We will encourage clubs to start working soon after receiving the grant funds. Our Rotarians are thrilled to learn more on the Future Vision Plan, as can be seen by the number of Rotarians who participated in a grant management seminar immediately after our district assembly."

One hundred districts are participating in the Future Vision pilot, a three-year test of the new grant structure offered in the Foundation's Future Vision Plan. The Foundation began accepting applications for district grants in mid-April and has received five. An application from District 1970 (Portugal) has also been approved, and three others are under review.

grants made to districts for up to 50 percent of their [District Designated Fund](#). Pilot districts can apply for one district grant a year, which may be used for a wide variety of activities, including projects with local clubs or clubs in other countries and with nonpilot districts.

Pilot districts submit a [spending plan](#) as part of the application process for district grants. All the activities included within District 3330's spending plan fall within an area of focus, even though they are not required to do so for a district grant.

Districts have until 15 May 2011 to apply for their 2010-11 district grant and receive payment during the Rotary year that ends 30 June 2011. Districts must submit a final report to the Foundation within 12 months of payment of the grant.

Today's Thoughts in Honor of

Hug Holiday – June 11

"Suddenly, quietly, you realize that - from this moment forth - you will no longer walk through this life alone. Like a new sun this awareness arises within you, freeing you from fear, opening your life. It is the beginning of love, and the end of all that came before."

- **Robert Frost (1874 – 1963)**

Flag Day – June 14

"Citizens by birth or choice, of a common country, that country has a right to concentrate your affections. The name of AMERICAN, which belongs to you, in your national capacity, must always exalt the just pride of Patriotism, more than any appellation derived from local discriminations."

- **George Washington (1732 – 1799)**
